Features of the SET APART Bible Club

Dear Parents/Guardian

I would like to introduce you to the SET APART Bible Club - a weekly forum to empower children (ages 6 - 12 years) to realize their God given potentials and live successful lives in the now.

In this world of uncertainty and negativity, knowing God and following His blueprint for life is the only way to a fulfilling life. Fulfilling life does not have to wait for adulthood, we believe that children can and will learn how to make this kind of life a reality. At SET APART Bible Club, we teach children the Word of God and encourage them to live for Him daily.

I hope you will allow your child to be a member of _____ SET APART Bible Club.

*God bless you.
Yours in His Vineyard,*
